

JIULONG USA, LLC

Bringing China Direct to You

Jiulong USA Bringing China Direct to You

Jiulong USA manufactures standard and customized retail shopping carts, plastic hand baskets, wire and metal displays and ships them direct to you. Working directly with an ISO 9001 certified manufacturing company in China, you get reliable goods at tremendous savings with short lead times.

ISO 9001 Certification and AAA Credit Rating Make Jiulong a Trusted Supplier

Jiulong USA is the US-based subsidiary of the Ningbo Jiulong Hardware Co., enabling domestic companies the opportunity to interact and buy direct from China resulting in substantial cost savings on retail shopping and display items.

Manufacturing retail products for more than 12 years, Jiulong has achieved ISO 9001 certification and patents on 12 products. The financial success of the company has resulted in a AAA credit rating, which has enabled the firm to invest heavily in high-tech manufacturing and reliable shipping operations. Jiulong products can be found throughout the US and in ten other countries around the globe.

Why Choose Jiulong USA?

Understanding the challenges of the US retail environment, Jiulong has developed a set of advantages that create a winning combination for top US retailers. Previously supplied through various domestic 3rd party supply chains, Jiulong now works directly with major retailers. Companies with their own distribution footprint can achieve tremendous cost savings.

Buying direct from Jiulong, you take advantage of:

- ◆ Manufacturer-direct pricing
- ◆ Customized products to meet your unique specifications
- ◆ Simple pricing regardless of US location
- ◆ Factory-stored inventory delivery in 4 weeks or less
- ◆ \$5 million primary and secondary liability insurance with statutory limits
- ◆ FOB and DDT (delivered duty paid) pricing
- ◆ POs placed directly with factory
